

Senior Move Coordination & Downsizing Experts

“Let us smooth the move — while you focus on the sale.”

As your Elite partner, Reavanti has certification through the National Association of Senior and Specialty Move Managers.

How we assist our Realtors:

- Listings on the market faster: we handle downsizing, packing, cleanout, and move coordination — so the property is ready for market on your timeline.
- We treat homes and belongings with dignity and care — ideal for older clients who may have decades of possessions and memories.
- We simplify logistics and reduce stress for sellers and their families — letting you focus on real estate, not the items.
- Transparent, dependable service — we coordinate with sellers, families, and service providers to avoid surprises and delays.

What We Do:

- Declutter & Sort: helping sellers decide what stays, what’s donated, sold or removed
- Packing, Moving & Unpacking — full-service relocation, including setup if needed
- Sale / Consignment / Disposal of items left behind — we handle the liquidation, so the house shows clean
- Coordination with family, caregivers, or executors — sensitive to timing, memories, and logistic
